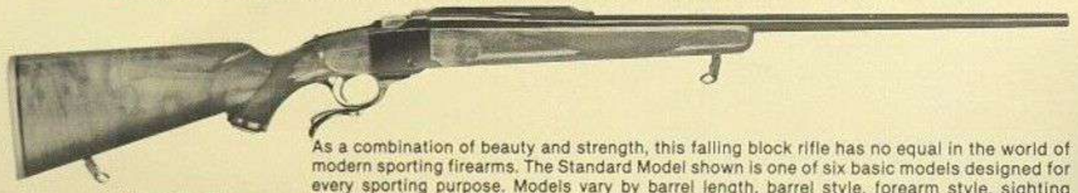
RUGER

THE NAME RUGER stands for all that is best and most advanced in firearms construction. By aiming at a higher standard of quality than others, we have produced firearms that are regarded by all as a standard of excellence, and are used as such for the purpose of comparison. No evidence of our leadership is so potent as the fact that those in a position to know the best, invariably select a Ruger.

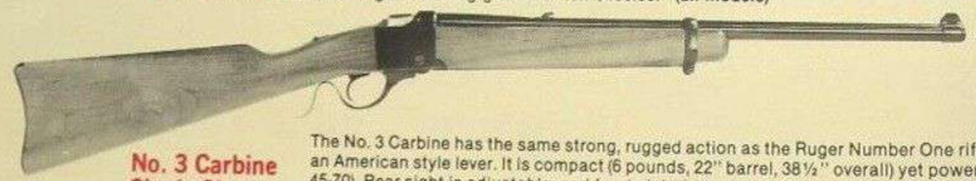
Model 77® Bolt Action Rifle

Advanced design concepts plus the most modern manufacturing methods are combined to produce a rifle of superb construction and classic lines. Hand checkering, patented bedding system, quick release floor plate, sliding tang safety, rubber butt pad and scope mount bases integral to the receiver are some of the features of the M-77. Sporting sights are standard. Ruger scope rings are optional. In sixteen calibers **$340.00* — $451.00.**



Number One Single-Shot Rifle

As a combination of beauty and strength, this falling block rifle has no equal in the world of modern sporting firearms. The Standard Model shown is one of six basic models designed for every sporting purpose. Models vary by barrel length, barrel style, forearm style, sighting equipment and chamberings for seventeen proven cartridges. An expensive rifle. Worth every penny of it in terms of accuracy and elegance. A logical style for the varmint shooter and a challenge to the big game hunter. **$405.00.* (all models)**



No. 3 Carbine Single-Shot

The No. 3 Carbine has the same strong, rugged action as the Ruger Number One rifle, but with an American style lever. It is compact (6 pounds, 22" barrel, 38½" overall) yet powerful (caliber 45-70). Rear sight is adjustable, and front sight has a gold bead. In every way, a modern rifle in the classic style. **$284.00.*** In 22 Hornet, .223, .44 Mag., & 45-70.

10/22® Autoloading Rifle

A favorite for small game hunting. Chambered for the 22 long rifle cartridge and built to high power rifle quality. The rugged 10-shot rotary magazine eliminates feeding problems. Available in Standard or Deluxe Sporter stock. The Deluxe Sporter stock (shown) is hand checkered on pistol grip and forearm. Receiver tapped for scope blocks. Embodies every feature wanted by sportsmen in a 22 autoloader. Designed for the shooter who recognizes quality. **$117.00 — $146.00***

44 Magnum Autoloading Carbine

The ideal brush country deer rifle. Five shots. Tubular magazine features convenient loading and unloading. Gas operated mechanism provides smooth and reliable functioning. Equipped with adjustable rear sight and tapped for scope blocks. Available in Standard version only. Compact, lightweight, light recoil, high power **$298.00***

The Ruger Mini-14® 223 Rifle

Ideal for law enforcement and sporting use, the compact, light, simple and reliable semi-automatic Mini-14 emphasizes Ruger innovative engineering combined with superior materials. In no sense a copy of any earlier arm, the Mini-14 was designed by Ruger engineers and is made exclusively in modern Ruger factories in the U. S. Extensive testing by Governmental agencies in the United States and abroad has resulted in substantial delivery commitments. Conforming to basic principles of Ruger design and construction throughout, the Mini-14 achieves its performance standard through the use of a relatively few, extremely rugged components built from the finest materials. Available in blued finish or stainless steel. Supplied with 5-shot magazine **$283.00*—$325.50** 20-shot magazines are available from Ruger Dealers.
